10 years professional experience in visual design, including brand identity, design for print media, web design, photoretouching and illustration.

Career History

Lead Designer at Kvants - Visart d.o.o

November 2006 - present

I design most of the companies projects and also manage larger projects with my team. Some of the most notable are:

- The monthly professional journal ISIS from the Medical Chamber of Slovenia,
- Blažič, robni trakovi brand identity and all catalogues,
- Redesign of College of Nursing Jesenice campaign,
- 12 textbooks for elementary school,
- COBIK brand identity.

Junior designer at Kvants - Visart d.o.o.

2002 - 2006

I started working at Kvants - Visart d.o.o. as a student. Through the course of 4 years I gained a lot of experience in the art of design.

Freelance work

Urban Roof

Urban Roof is the first indoor skate park in Ljubljana with a climbing boulder and a dance hall. This is a project a few friends and myself dedicated to put together. I am assigned as the main in-house designer for all of its communication materials and event posters.

mySafeBag

For mySafeBag I was in charge of designing the main brand identity for the company. I also designed its project report for a tender for the Portuguese Airline Companies which got excellent remarks.

1st International Exhibition of Orchids in Ljubljana

For the 1st International Exhibition of Orchids in Ljubljana I designed a clean brand mark of the event and all its printed materials.

All of these projects and more can be seen on my web portfolio:
